Important Things to Know

We recommend registering ahead of class to help us keep class size to a safe number and to insure your spot.

Please wear a mask if you are not vaccinated

If applicable, the skating floor will be divided for different class levels.

Only class members who are enrolled in the class are allowed to have skates on during the lesson time. Included with the class fee is a free skating pass for additional practice time during a public session of your choice. Skate/Blade rental is also included.

Skaters should arrive at least 15 minutes early to check in and get their skates on. The first 15 minutes of class are for warmup. The lesson will start promptly at 6:15pm.

Level 1 - Falling & getting up, balancing on one foot, stroking, forward scissors, basic forward stopping, forward cannonball.

Level 2 - Forward gliding, forward & backward scooter pushes, Shoot the Duck, backward stepping, backward scissors, backward stroking, backward stopping, forward crossovers, backwards balancing on one foot.

Level 3 - Forward crossovers in both directions, backward crossovers in both directions, turning forward to backwards and backwards to forward, T push, forward inside & outside edges, two foot jump, two foot spin.

2024-2025 Fall/Winter Class Dates:

Mondays 6:00-7:00pm

October 14th, 2024 thru May 19th, 2025

(No Class on Nov 4, Dec 9, 16, 23, 30, Mar 31st)
